

Name of Lab: - CAD Lab

Name of Lab In charge: - Prof.Lokawar V.L.

Name of Lab Assistant: - Mr. Patil S.K.

A well-equipped computer lab with advanced facilities is established for the benefit of the Mechanical engineering students. High end terminals supported by latest hardware and software, latest visual aids, etc. are among them. Advanced Mechanical engineering softwares is procured for making the students globally competitive and industry ready. At CAD lab, students get professional training on 2D & 3D drafting of Mechanical engineering drawings using the latest version of AutoCAD software. Students will learn computer aided design layout and 3D solid modelling definition using Creo Parametric Software's. Students will also gain the knowledge of design and drafting needed for Mechanical engineering discipline.
