Mahatma Gandhi Mission

The Mahatma Gandhi Mission Trust was established on 20th December, 1982 with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques. Since inception, the Trust has focused on providing health care services, school education and higher education with dedication and commitment. The MGM Trust was established in Nanded, (Maharashtra) and in the course of time it extended its services to Chh. Sambhajinagar, Navi Mumbai and Parbhani in Maharashtra and Noida (New Delhi) in UP. A chain of Schools, Engineering, Architecture, Medical, Nursing, Management, Computer Science and IT, Bioinformatics and Biotechnology, Fine Arts, IHM and Journalism stand testimony to the endeavours of the Trust. The MGM Trust continues its journey of imparting value based services and creating global technocrats with its self – financed private “MGM University” launched at Aurangabad, Maharashtra with the approval of Government of Maharashtra and passing of MGM University Act 2019 by Maharashtra Legislative Assembly and Legislative Council. It also has the 2(f) status granted by the University Grants Commission (UGC) of India.

MGM's Polytechnic Chhatrapati Sambhajinagar.

MGM's Polytechnic is offshoot institute which is established under the aegis of Jawaharlal Nehru Engineering College Chh. Sambhajinagar. It is affiliated to MSBTE Mumbai, approved by AICTE New Delhi and recognized by Government of Maharashtra. MGM's Polytechnic embarks its journey of success on the foot-prints of JNEC. This institute has carved a niche in Marathwada region for its quality-oriented technical education in a very short span. Also it is uniquely well known for infrastructure and standards of world class technical education.

VisioPolytech 2K23

It is a state level technical event in which every year we organize various technical events. This year VisioPolytech consist of five events namely Project Competition, Paper Presentation, Poster Presentation, Science exhibition, Quiz Competition. This event is specially designed for School, Junior college, ITI and Polytechnic students. This event helps to bring the students together across the state and promotes innovative and latent qualities in them. VisioPolytech is a platform where students pave ways to their creativity by showing their presentation skills.
